Education

Techno Main Salt Lake July 2022 – June 2026

Bachelor of Technology in Computer Science Engineering (AI & ML) *Kolkata, India*

- **Relevant Coursework:** Object Oriented Programming, Operating Systems, Data Structures, Analysis of Algorithms, Machine Learning, Database Management System

Experience

AI Training Expert – Outlier AI *January 2025 – April 2025*

- Evaluated AI model outputs for accuracy, reasoning quality, and instruction adherence across diverse scenarios.
- Designed high-quality prompts and structured test cases to improve model performance and response reliability.
- Identified inconsistencies, logical errors, and edge-case failures, contributing to refinement of training data.
- Enhanced model effectiveness by providing actionable feedback to improve response quality and robustness.
- Worked with large-scale datasets and model outputs to ensure data quality, consistency, and correctness.

SDE Intern – Parambhog *June 2025 – August 2025*

- Developed and optimized responsive web application features using React.js, improving user experience and performance.
- Integrated RESTful APIs for dynamic data rendering and ensured seamless frontend-backend communication.
- Collaborated with cross-functional teams to debug and resolve issues, enhancing application stability.
- Implemented reusable UI components and followed clean coding practices to improve maintainability and scalability.

Projects

Institution Innovation Council (IIC) | GitHub Link |*HTML*, *CSS*, *JavaScript*, *Python*, *Django*, *SQLite*

- Built a **centralized, role-based web portal (Admin, Faculty, Student)** to manage IIC notices, events, meetings, achievements, and research activities with real-time updates.
- Implemented **secure authentication, approval workflows, and CRUD-based modules** (Achievements, R&D, Gallery, Certificates, Queries) using Django ORM for structured and reliable data management.
- Delivered a responsive, secure, and scalable system with input validation, access control, systematic testing, and low cyclomatic complexity for easy maintenance and future expansion.

MindMeld | GitHub Link |*HTML*, *CSS*, *JavaScript*, *React.js*, *MongoDB*, *Express.js*, *Node.js*

- Designed and developed an interactive web application aimed at enhancing **cognitive performance** through scientifically validated exercises, real-time feedback, and personalized improvement suggestions.
- Implemented **gamification features**, including daily challenges, leaderboards, and achievement tracking, to drive user engagement and motivation.
- Integrated secure data storage and analytics using MongoDB for performance tracking, ensuring compliance with **data privacy standards like GDPR**.

Technical Skills

- **Languages**: C++, C, Python, SQL, JavaScript, HTML, CSS
- **Tools**: VS Code, Git, GitHub, Colab, Jupyter, MySQL, Power BI, Advanced Excel (Pivot Tables, VLOOKUP)
- **Libraries**: NumPy, Pandas, Matplotlib, Scikit-learn
- **AI & Data Skills**: Prompt Engineering, LLM Evaluation, AI Model Testing, Data Annotation, Data Cleaning, Data Analysis, Exploratory Data Analysis (EDA), Data Validation
- **Databases**: SQL (Joins, Aggregations, Queries)
- **Research Skills**: Internet Research, Market Research, Analytical Reasoning, Problem Solving
- **Concepts**: Object Oriented Programming, Operating Systems, Data Structures, Algorithms, Machine Learning, Database Management System

Achievements

- **Ranked under 3 in Pixel Wizard Hackathon'24**.
- **Qualified in Internal Hackathon'24 for SIH**.
- **Solved over 250+ problems on different coding platforms**.
- **Solved over 100+ problems on Leetcode**.
- **Ranked under 5 in HackWave Hackathon'24**.
- **Identified and analyzed AI model failure patterns across 200+ repositories in real-world evaluation tasks**.

Social Engagements

Club Coordinator: at CodeFusion – Coding Society
Club Member: at Quiz Club – Quizzing Society
Volunteer: at ANUGRAHA – NGO run by students of different colleges to educate underprivileged children.
Sports Engagements: Badminton, Chess, Cricket, Football
Event Organiser: Ankronas'24 (Socio-Cultural Fest)
